GETTING TO THE GROUND

Forsyth Barr Stadium is located at 130 Anzac Avenue, Dunedin.

Getting here is easy but may require some planning ahead before a big event. Find everything you need to know right here.

ARRIVING ON FOOT:

Forsyth Barr Stadium is an easy 20-minute walk from the Octagon, connecting with all major bus services.

ARRIVING BY BUS:

There are normal timetabled bus services from the city centre to the Albany/Forth Street area. Check timetables.

ARRIVING BY BIKE:

Bike stands are available outside the Stadium for cyclists.

ARRIVING BY CAR:

Limited car parking is available in the immediate area surrounding the Stadium. On event day, access to the Stadium east end carpark is only for Forsyth Barr Stadium Members with parking permits. Traffic will be extremely heavy, so the closer you park to the Stadium, the longer it will take you to leave the area after the match. There is a walkway linking the wharf area from Wickliffe Street near the corner of Fryatt Street to Forsyth Barr Stadium. There is free car parking all around this harbour area.

ARRIVING BY TAXI:

Dunedin's taxi companies will be very busy during events, so we recommend you pre-book for both legs of the journey.

CHECK YOUR TICKET TYPE

If you have a child's ticket but appear to be over the age of 16, you will be asked for photo ID at the ground. You will also need to show ID for student tickets. If you think you have bought the wrong ticket type, please visit the nearest outlet. Alternatively, you will be asked to upgrade your ticket at the box office.
